PRESS NOTE. 64, dated 8.3.48.

The Government have decided that the Control over the internal distribution of yarn in this Province should be abolished with effect from the 16-th March 1948 and have accordingly repealed the Madras Yarn (Dealers) Control Order, 1947. After 16.3.1948, there ~~the Province.~~ X The 'B' and 'C' class dealers in year will go. The representatives of the South Indian Mills have assured the Government of their co-operation in ensuring through their quota holders, or by making direct arrangements, that yarn in sufficient quantities reaches every district. They have also assured regular supplies of yarn to the Weavers' Cooperative Societies.

The Government trust that these measures will largely ease the present situation and facilitate free flow of the trade in yarn through normal channels. The Government however, wish to assure the public that they have retained sufficient powers under the Cotton Textiles (Control) Order of 1948 for proceeding against dealers who indulge in malpractices and that they will not hesitate to use them, should occasion demand.
